Family Huddle – Our goal is this to be a place that we will provide reminders, as well as scripture we have studied each week along with a couple of questions to discuss with at home. With each Family Huddle, we would also like to include ideas for family fun. I am always looking for new games or outings for our family to do together. Please help us out with this portion of the Huddle by sending us your ideas to share. Hopefully, this will provide a great way to continue discussions from Sunday at home helping us see God in our everyday lives at home.
